Application Process

All awards can be applied for via SurfGuard (as a new assessment request), this requires a form to be completed (please see attached), which is endorsed by the Club and Branch then sent to either SLSA or State office whichever is the issuing body.

Any application for awards this way follows the same procedure as education awards. For Long Service Awards clubs can group members together for the same award on the one form. National Medal and National Patrol Service Awards should have one form per member.

Alternative: National Medal, National Patrol Service and Long Service Awards can be applied for via Members Area Forms. This can be done by the individual member, to be approved by the club, or by the club form approver. These require no excess paperwork as evidence is automatically listed and extra supporting documents can be uploaded into the system.
