Competitors enter as part of a team of 4 people. Teams accumulate points from each event they contest. Points are awarded to the first 3 teams to finish in each event. 1st = 10pts. 2nd = 8 pts. 3rd = 6pts. Team position is based upon the first 3 team members to finish in each event, (excepting board rescue, Ski and beach relay). Additional points are awarded up to a maximum of 8 points per team for the following: 2 points for each lady in a team. 2 points for each competitor over 50 years of age. 3 points for each competitor over 60 years of age. 4 points for each competitor over 70 years of age. (e.g. a team that includes one lady over 60 yrs, (2pts +3 pts) 2 men over 50 yrs (2x 2pts) and a lady over 30 years (2 pts) would still receive a maximum of 8 pts for their team. N.B. These points are awarded to the team for the carnival not for each event).

Competitors must provide their own safety vest, craft and handlers.
Competitors club cap and safety vest to be worn. Wetsuits allowed.
There is one water and one beach area. Events are sequential.
If sufficient team numbers dictate, additional competition pools will be arranged. Under these circumstances, the competition pools will compete independently of one another.
Carnival committee reserve the right to move, re-schedule or cancel the carnival (or an event) due to bad weather or dangerous conditions.
A sense of humour is compulsory!
