Re: Postponement of SLS Sydney 2020 Pool Rescue Development clinics

Sydney Branch Surf Sports Committee has made the decision to postpone the upcoming Pool Rescue Development clinics as a precautionary measure regarding the Coronavirus (COVID 19) situation.

We apologise for any inconvenience this may cause. The health and well-being of our members, volunteers and wider community remains our main priority in this decision.

We will be monitoring and following the advice from the relevant authorities as the situation continues to evolve, with a view to reschedule the clinic dates when appropriate.

Thank you for your understanding.

Warm regards,

Amy Somes
