SLSA eLearning
Surf Life Saving Australia (SLSA) has a number of online courses available to support members in completing their SL Currently online courses are available in the following streams: Aquatic Search and Rescue, Emergency Care, Beach M also Safety and Wellbeing, Skills Maintenance and Age Managers options available to be completed online.
The online courses available typically cover the theory components and are designed in many cases to be completed Guide which you can access from the SLSA Members Area Library. In most cases you will also participate in practical t organised by your surf lifesaving club or SLS state/territory centre to achieve competency in the SLSA award.
An online version of the SLSA eLearning User Guide can be found within the SLSA IT Helpdesk Online Help Library.
If the below state/territory information is incorrect, please contact your surf life saving club before clicking the below system.
Our records show that you will be studying in state: <b>NSW</b> . If this is incorrect, please contact your organisation of men

Step 4: Click on 'Training Library'

Home	Library My Training	g Help

Step 5: Under course categories, click on 'view courses' within the SLS – New South Wales folder

Step 6: Click on 'Enrol' as circled

Step 7: Click on 'Process Payment' as circled

Step 8: Click on 'Go To Training' as circled

Step 9: Click on 'Start' to begin the session

If you are completing the session on your electronic device (e.g iPhone, iPad etc), make sure it is not on silent to enable the audio function.
