ISSUE DATE	NUMBER
Wednesday, 24 June 2020	08/20-21

<b>To</b>	Clubs, Presidents, Secretaries, JD/Nipper Contacts
<b>From</b>	Director of Junior Development
<b>CC</b>	BOM, JDC
<b>Subject</b>	Junior Development COVID Safe Presentation and Discussion

**Date:** Wednesday 15 July 2020 6.30pm - 8.00pm

**Location:** Branch Office 16 Murra Murra Place Little Bay

**Attendance:** 1 x Member per Nipper Club (*this ensures social distancing can be applied and meet maximum capacity numbers in space at Branch Office*)

As we move into season 2020-2021 we are obviously entering "new waters" for how we may deliver our Nipper Program in a safe, effective and efficient manner taking into account the impacts of COVID-19. One of the aims here is to ensure we are delivering the same safe processes across all Nipper Clubs within Sydney Branch. At this session a NSW Public Health COVID specialist will be in attendance to assist in the presentation. (They are a Nipper parent... so they understand...). This session follows on from the Circular 06 released last week. We have had a few questions coming out of those details - so hence this Information Session, and input from the Clubs.

This session will assist Nipper Clubs by the following:

- Presentation of all current information from NSW Health, and NSW Sport and SLSNSW.
- Options available to Clubs re Training of Parent Teams for the Beach
- Proposed Protocols for Sydney Nipper Clubs and resources:
- Discussion re options/plans from Clubs, so we can share information and ideas
- Concerns and issues that any Clubs may have
- We need to "look" the same across our beaches, even though we have different numbers.

We would anticipate that with this situation still developing that every club will be in attendance.

RSVP with the name of your session attendee to [jdcsecretary@surflifesavingsydney.com.au](mailto:jdcsecretary@surflifesavingsydney.com.au) by July 13th
