SUBJECT	ISSUE DATE	NUMBER
Training of JAC Chairpersons and Nipper Management Teams	Wednesday, 22 July 2020	10/20-21

**To** Clubs, Presidents, Secretaries, Nipper Contacts

**From** Director of Junior Development

**CC** BOM, JDC

Over the last few months, SLS NSW has been working to deliver the above training package for Season 2020-21.

At this stage, the SLS NSW JAC Mgt Training Working Group who are putting the package together, are recommending that this course be mandatory for all JAC's and their management teams.

The training of JAC's and their management teams is important so Clubs deliver high-quality programs to our Nippers. This will also ensure the workload is shared by a solid team of Volunteers, and that defined outcomes are achieved.

At a Branch level SLS NSW is seeking three individuals to assist in presenting this new course to the JAC's and their teams within your Branch. Those that would like to volunteer for this Trainer role should have the following experience (this can be past or current):

Age Manager - Nipper Management Position (JAC preferred) - Presenting experience - Patrolling Life Saver (preferred but not compulsory).

The training to present this course will be delivered by Doug Hawkins via a ZOOM Package in August 2020. The session will run for about 1 hour with Q&A afterwards.

Those who wish to nominate for the Trainer role will receive the PowerPoint presentation and supporting resources prior to the ZOOM training session from SLS NSW, so they are fully aware of the package, its messaging, and outcomes.

This will then give Sydney Branch a number of trained presenters who can deliver this course in the season to come and will also include the SLSS JDC Director who has initiated and written this program.

Nominations to be forwarded to the SLSS JDC Secretary Michele Cole:
