SLSS is pleased to advise that we have scheduled into the Branch Education Calendar for season 2020/21 an opportunity for existing Trainers to gain the qualifications to become Assessors.

At this stage we need to seek EOIs for the course and then advise SLSNSW of the possible candidates as the course may be held in conjunction with members of Sydney Northern Beaches Branch. At this stage SLSS has booked the venue and dates as below. The course will be held over 3 days in order to remove the need to complete tasks after the course and will be delivered by HBA.
