To	Clubs, Presidents, Secretaries, Nipper Contacts
From	Director of Junior Development
CC	BOM, JDC

In further consideration of our Junior Development pre-season meeting event scheduled for Sunday 23rd August 2020, please be advised of the following new information:

Additional Session - JAC Management Training

As this model of training has come from SLS Sydney Director, Doug Hawkins, and the material and process has been adopted and implemented by most SLS Sydney Clubs over the past few seasons, we believe that this session can be delivered in a much more efficient manner than previously proposed.

We are hoping that we can get every Nipper Club to attend this session now held prior to the Nippers Pre-Season meeting, and we are aware that at this time of year time is of the essence. We anticipate that each Club can send a maximum of five people.

Please note that the JAC Management Training Package is mandatory for all JACs in SLS NSW this season. Below is the updated schedule for 23rd August 2020, and we do hope that ALL Clubs can attend.
