To SLSS Club Nipper Coordinators

From Doug Hawkins – Director of Junior Development

CC SLSS JDC

Greetings SLS Sydney Nipper Clubs

As per the information at our March/April SLS Sydney JDC Meeting, the SLS Sydney JDC team are presenting a **Junior Activity Chair (JAC) Management Training Session for all future JAC management teams, and current JAC Management teams that have not yet attended this SLS NSW Course.**

Date: 16th May 2021

Time: 1.30pm to 5.00pm - Face to Face Session

Location: The Juniors at Maroubra - Palm Room - Anzac Parade

As per previous Comms, this JAC Management Course is now a prerequisite to being a JAC, so if you did not attend our previous on-line session then please lock in for this one.

We are putting on this SLS accredited course for those members who will be part of your JAC Management team going forward. This could be your JAC for next season, or the seasons beyond, and their Management teams who will be working with them.

The aim here is to assist Clubs in future proofing their JAC Management teams and ensuring those members who come onto the JAC Team are equipped with the correct information and understandings.

Managing and delivering a Nipper program is an area that people do not have a lot of knowledge in when they join the JAC Management Teams, so this session will address that issue.

The reason we are putting this on in May, is so these learnings can be applied in the planning of the coming 2021-2022 season.

We are also planning to record the session so we can create some ongoing resources from the day. This session will not be available on ZOOM.

The JDC anticipates that we should have at least 2-3 people from each Sydney Nipper Club in attendance. We will also be sharing this opportunity with SNB and SLS Illawarra should numbers allow.
