### Future Leaders:

**All Nipper Junior Captains and Vice-Captains from Season 2020-21 are invited to attend a Future Leaders Presentation at Bronte SLSC on 5th June 2021.**

This session is being instigated by Maggie Eisenhauer (SLS Sydney 20-21 JLOTY) and Bronte SLSC.

The three-hour session will bring together up to 50 Junior Life Savers from across Sydney Branch to meet and interact in an engaged format that will see them participate and be challenged in brain storming sessions and a shark tank style presentation.

Lizzie Welborn (<https://www.lizziewelborn.com.au>), will be our guest speaker on the topic of influence and creating change, as she is using her competitive success to raise awareness about ocean pollution. The session will be hosted by a professional Leadership company Phuel, (<https://www.phuel.com>) and will be run by our young leaders on the day.

There are **four places available for each Club** with an even gender split. If the Season 2020-2021 Junior Captains and Vice Captains are unable to attend, then the invitation is extended to potential future leaders from your Cadet groups - (U15's) there may be some extra places available.
