Subject	New SRC/BM Induction Session

Dear All Sydney Branch TAFs

With the rollout of the new SLSA SRC and Bronze Medallion curriculum, all TAFs training or assessing these awards must attend an Induction Session before undertaking any activities. While many TAFs have attended the SLSNSW led sessions, there is still a significant number who need to be inducted.

If you have already attended the SLSNSW sessions, there is no requirement to attend the Branch Session, but you may like to check your awards in the Members Area to ensure you have been allocated the Bronze Medallion Induction 2020 award.

The Sydney Branch Induction Session will take place over Zoom and has been condensed from 4 x 1 hour sessions to 1 x 2 hour session (plus Q+A if required)

The first session opportunity will take place on :

Wednesday 9th September from 7:00pm to 9:00pm (plus Q+A)

More sessions will be scheduled in the very near future. This session will enable clubs who are starting training in the next few weeks to get their TAFs inducted.

There will be a post session survey sent at the conclusion of the Induction Session, which when completed will allocate the Bronze Medallion Induction 2020 award in SurfGuard.

Before attending the session, please visit <https://www.surflifesaving.com.au/newsrcebml/> to familiarise yourself with the new resources.

To register for the session, please go to the following link
