

MEMORANDUM

To	SLSS Club Presidents and COVID Safety Officer
From	Peter Agnew - President
CC	BOM
Date	Tuesday 21 June 2020
Pages	1
Subject	COVID Changes as of 23rd October 2020

Hello Everyone,

As you may be aware tomorrow, Friday 23rd October 2020, signals the relaxing of some COVID rules.

As of Friday 23 October 2020:

A COVID Safe Hygiene Marshal is only required if there are more than 20 patrons in the gym at one time.

Gyms must have a COVID-19 Safe Hygiene Marshal present at all times the gym is open, and be a registered as a COVID Safe business.

This applies to gyms that are indoors and open to members of the public, including gyms in a hotel or workplace. For all the details please click on the following link. [Marshals in Gyms](#)

[NSW Office of Sport](#)

This does not impact the existing requirements for community sport activities, detailed on this page.

Please make sure your club is across these changes.

Regards

Peter Agnew EMS
President
