To Clubs, Presidents, Secretaries, Captains, Nippers

From Director of Junior Development

CC BOM, LSOC, EC, JDC, MSC

Opportunity for your Nippers to share their Water Safety Knowledge

Wednesday December 1, 2021 is **National Water Safety Day**. National Water Safety Day represents a great opportunity for your Nippers to share their Water Safety knowledge within their own schools. Details can be found on SLSA website at the following link <https://sls.com.au/red-and-yellow-day/>

Sydney Branch encourages as many Nippers as able to check in with their own Primary School and follow this check list.

- Has your School registered for National Water Safety Day Yes - No ?
- If not then get them to register here <https://sls.com.au/red-and-yellow-day/#registernow>
- Schools who register, will get an electronic resource pack for use on the day – posters, ppt and flyers
- If YES !! ..and what a smart School... then ask if you can play a part, and share your Water Safety knowledge on the day with your fellow students
- Or, if your parents are a surf lifesaver, maybe ask if they can come to the School and do a presentation in their red and yellow, to support the Schools Water Safety message
- On the day wear your Clubs' Nippers gear, when presenting to your classmates

Let's get our communities ready for summer, and make sure we all have fun and stay safe, while enjoying our beautiful water ways and beaches
