

## CIRCULAR

SUBJECT	ISSUE DATE	NUMBER
Missing Nipper Emergency Response Scenario Club Drills Season 21-22	Thursday, 9 December 2021	20/2021-22

To	Club Nipper Chairs - URGENT
From	Scott Muir – Director Lifesaving & Support Operations David Love – Director Junior Development
CC	Club Presidents, Secretaries, Captains, SLSS BOM, JDC, LSOC, SLSS Duty Officers

Sydney Branch Lifesaving & Support Operations Committee, and the Junior Development Committee request clubs to conduct at least one 'missing child search and rescue scenario' during nippers each season. We note that a couple of Clubs have already conducted this scenario.

The Branch Support Operations Manager is required to be advised of dates and times when Clubs are planning to schedule this practice exercise, and a Branch Duty Officer will be in attendance to work with the Clubs, to offer advice and updates on how the Drill was managed and outcomes delivered.

Please also utilise your JSARK Kit for the Emergency Drill (formerly known as the NERK)

Clubs are also reminded to invite a representative of each Club Patrol or Patrol Captain to the Missing Nipper Drill, so every Patrol within your Club is aware of the required procedures should their Patrol be on duty when a Missing Nipper emergency occurs

Attached with is the [SLSNSW Junior Activity Search and Rescue Information](#), which we recommend clubs use as a guide during a Scenario.

Clubs are asked to email date and time of their proposed scenario to the Branch Office and the Support Operations Manager [lifesaving@surflifesavingsydney.com.au](mailto:lifesaving@surflifesavingsydney.com.au) & [supportoperations@surflifesavingsydney.com.au](mailto:supportoperations@surflifesavingsydney.com.au)

Regards

**Scott Muir**  
DIRECTOR LIFESAVING & SUPPORT OPS.

**David Love**
