Greetings Surf Life Saving Sydney Clubs

As the 41 Years of Women celebration event is now just over one month away, Saturday 2nd July, we would like details from all the Sydney Clubs in reference to table bookings for this event.

At this stage we have been liaising with the events contacts at your club regarding members previously registered to come to this event. We would now like to extend the invite out to other club members interested in attending.

Could **all Clubs please confirm their 41 Years of Women** additional table booking and/or numbers with the Branch Office by COB Friday 17th June and attendees names by Monday 23rd June if they haven't already done so.

For former members who wish to attend, we will be directing them to their past Club to confirm their attendance under the Clubs booking. What a great way to reconnect with former members of your Club!

This will be an outstanding day of celebration and acknowledgement, with a panel of women representing the past 41 years of Surf Life Saving in conjunction with some keynote speeches.
