Subject	Clubs' Patrol Tents Season 21/22

As advised to Club Presidents, the Branch has secured a new partnership commencing for season 21/22 which will include new sponsor identification on our Clubs' Patrol Tents.

The Branch is ready to place this order, but we need to seek information from our Clubs on your preference of tent style required.

It would be appreciated if each club would kindly complete the questions on the survey link provided so we order and supply as per your Clubs' requirement. <https://form.jotform.com/211678609138867>

It would be appreciated if Clubs could provide their response by Wednesday 14/7/2021. Thank you.
