

MEMORANDUM

To	TAFs holding current Cert IV x 62
From	Acting Director of Education
CC	SLSS Education Committee
Date	Friday 19 November 2021
Pages	1
Subject	EOIs for Facilitator First Aid

Hello

You are receiving this email because you have a current Certificate IV in Training and Assessment (TAE40110 with additional units or TAE40116) recorded in Surfguard.

Sydney Branch is calling for Expressions of Interest for suitably qualified TAFs to be appointed as First Aid Facilitators. This is primarily to assist with the delivery of First Aid courses within the Branch to support the new Advanced Resuscitation Techniques award, as well as providing additional resources to the Branch. Facilitators will not be aligned to any particular club, and will be expected to provide courses to the wider Branch community. The number of Facilitators that will be approved and appointed for Sydney Branch is not known at this time but will be limited.

As well as meeting prerequisite qualification requirements, Facilitators will be required to demonstrate their industry currency in the provision of first aid services. This could be as a patrol member, or as a first aider at an event or workplace.

Applications are reviewed and considered by the Chair of the SLSNSW Education Standing Committee and the SLSNSW Training and Education Manager.

Following appointment, probationary First Aid Facilitators will be invited to a virtual session delivered by a team of current FA Facilitator Mentors where they will be inducted into the SLSNSW first aid resources. Following this session, Facilitators will be provided with access to these resources and complete a number of First Aid courses under observation before endorsement.

If you wish to submit an EOI, please go to
