Subject	Fairy Meadow SLSC (Illawarra) – Patrol Assistance

Hi Team,

SLSS has been approached by the Illawarra Branch Director of Lifesaving requesting patrolling assistance for one of their smaller clubs.

I am reaching out on behalf of Fairy Meadow SLSC, hoping for assistance from our larger lifesaving family and your members during the current season.

Fairy Meadow SLSC would be most appreciative of any assistance on patrol on Sunday's and Public Holidays.

Any Club/member of your Club who is interested can contact myself direct lifesavingmanager@surflifesavingsydney.com.au and I will then forward your details on.

Regards and thank you
