

MEMORANDUM

To	Clubs, Presidents, Secretaries, Captains
From	Director Lifesaving & Support Operations Director Education
CC	BOM, LSOC
Date	Wednesday 9 February 2022
Pages	1
Subject	Late Proficiency (Skills Maintenance)

Dear Clubs

As you are aware the late extension which SLS Sydney had for proficiencies due to COVID has now ceased as at 31/1/2022.

This new memo is for clubs who for whatever reason still have members who have not completed their Skills Maintenance and are wishing to do so to be eligible to recommence patrolling for the remainder of the season.

Late Proficiency Application – for Patrol only

Clubs need to make application on behalf of the member who need to complete a 'late proficiency' via the form attached and email the form to lifesaving@surflifesavingsydney.com.au

No proficiency is to be scheduled or conducted until Branch advises/confirms via email.

Clubs are asked to action any requests immediately so these members can complete their requirements to continue patrolling for the remainder of the season.
