

MEMORANDUM

To	Club Captains
From	Acting Director of Lifesaving and Education
CC	BOM, LSEC, Club Secretaries, Club Presidents
Date	Wednesday, 6 October 2021
Pages	1
Subject	Patrols Effective 9 October 2021

Good Afternoon All,

Following up on the message I sent last Friday on 'WhatsApp', please find below changes to Patrols effective Saturday 9 October 2021.

- Patrols back to full strength (all members to be COVID-19 double vaccinated)
- U16s allowed back on patrol (provided they are COVID-19 double vaccinated)
- Masks will **still** be required until 11th October, pending any change to the NSW Public Health Order (I will advise if this rule changes by the weekend).

Additionally, could you please have a chat with your Patrol Captains patrolling this weekend. Given the anticipated very warm weather, we can expect large numbers on the beaches. Even more so if restrictions are lifted early by NSW Government. Patrols may need to extend past the 4pm (3pm for RNP) finishing time. We will endeavour to give you more warning than last weekend. A message will be posted on WhatsApp pertaining to this mid afternoon.

Have a good Weekend and see you on the beach

Regards

SCOTT MUIR
Acting Director of Lifesaving and Education
