<b>Subject</b>	<b>RWC Training July 2021 - Cancelled</b>

Dear All

It is with regret that we advise due to the COVID-19 restrictions effecting the Greater Sydney area, the RWC course scheduled to commence on Thursday 29 July has been cancelled indefinitely.

RWC candidates will receive notification from Branch Office once the course is rescheduled, likely to be following the end of season 2021/2022.

Unfortunately, RWC Training can only occur during the off season due to the craft being required for operation patrolling during the season.

We understand the disappointment this will cause to the candidates, but trust you understand.

Regards

**Andrew McKellar**  
RWC COORDINATOR

**Jackson Towns**  
MANAGER SUPPORT OPERATIONS
