

WEEKLY REVIEW

WEEK ENDING: 17 NOV 2023

UPCOMING EVENTS

TITLE	DATE	DESCRIPTION	ACTION
Rainbow Beaches Patrols: Diversity and Inclusion	SATURDAY 18.02.23 & SUNDAY 19.02.23	Rainbow Beaches started four years ago with one Club applying some colours and showing beachgoers that EVERYONE is welcome in their Club. Now, only a few years later Sydney Branch have Clubs ready to colour up this weekend across the Branch and show their communities that their Surf Club welcomes everyone, just as they are.	Clubs have been supplied with a pack of posters and stickers and a starter kit of rainbow bunting, lanyards and face paint, and we can't wait to see what each club does for #Rainbow Beaches this weekend so Time to Colour Up!

CIRCULARS & MEMOS

OTHER KEY INFORMATION

TITLE	DESCRIPTION	ACTION
2023 Branch Championships Completed: Thank you to all involved.	SLS Sydney would like to thank all Clubs, Members and over 2,500 Competitors who participated in our 2023 Branch Championships. Thank you to North Bondi, Maroubra and Coogee SLS Clubs and Waverley and Randwick Council for hosting. An enormous team of Volunteers ensured our events happened with utmost safety as their top priority. Thank you to the Branch Championships Committee and Catherine and Linda in the office, who led the planning and implementation and to the Workforce of Officials, Water Safety, First Aid, IRB crews, Lifesavers and active helpers who make our carnivals successful. To all our VIP guests, thank you for attending. We were lucky to have superb conditions over the 5 days, which resulted in hugely successful days. Congratulations to all competitors for their amazing efforts and results.	Next week Final results will be published and event photography will be shared with all Clubs.
LiveHeats Training Click Here For Link	For Officials in the upcoming SLSNSW State Championships, there is a LiveHeats online training session Tuesday 21.2.23 at 7pm which will be beneficial in preparation for the Championships series. It will provide a run through of the platform and how to troubleshoot issues on event days.	RSVP using link provided.
