SUBJECT	ISSUE DATE	NUMBER
SLSS Development Clinic Surf Ski Introduction & Trial U13-U15's	23 June 2022	02/22-23

To	Clubs, Presidents, Secretaries, Surf Sports Coordinators, Junior Development Coordinators
From	Director Junior Development – David Love Junior Competition Manager – George Benhayon
CC	BOM, LSOC, EC, SSC, JDC, MSC

Background

Surf Life Saving Sydney (SLSS) is dedicated to recognising, developing, and rewarding young Nippers and Youth in our Branch. These athletes may have started in Nippers for various reasons and now aspire to enter Branch, State and National (Aussies) Championships. Our Branch must provide a solid pathway for these athletes to develop their surf lifesaving skills and maintain motivation as they go through nippers to cadets and seniors. SLSS envisages coordinating the program(s) for our Clubs and athletes. The Junior Development Committee conducted the first of these clinics in March with Beach and Water competitors and Pool Rescue events in June/July.

We are now wishing to extend the focus to the area of Surf Ski introduction to equipment and trial on flat water only. **This opportunity will be open to U13 to U15 members who are registered with their clubs for season 2022-23 and hold either SRC or Bronze Medallion award**

Ski Introduction & Trial of equipment Development Clinic Details

- **Venue:** Yarra Bay (meet on beach)
- **Date/s:** Sunday 25 September 2022
