BATE BAY GOLD ENTRIES

SEMS

Sports Events Management System will be used - All Competitors and Handlers are to be registered for the event via the SEMS program. [SEMS](#) Entries Close midnight Saturday 10th September 2022

CHECK-IN PROCESS

All event Competitors, Officials and Handlers must check in prior to entering the competition area

1. LiveHeats RFID technology will be utilised at this event. All Competitors who have an existing LiveHeats wristband from Aussies, Summer of Surf Events are to bring these wristbands to Bate Bay Gold
2. Competitors who do not have a wristband will be able to purchase one at the event \$10.00 each
3. **DO NOT** enter competition area before check in and registering
4. Once checked in Competitors, Handlers and Officials will be given a wristband to wear.
5. Competitors and Handlers can proceed to the competition area after check in.

COMPETITOR INFORMATION

After check in each competitor will be given a wristband, to be worn for the duration of the event.

Lycra vests

- The lycra race vest must be worn by competitors as outer garments on all of the legs of the event, except the ski leg when a minimum Level 50 lifejacket must be the outmost garment (refer [entry circular section 3.5 Life Jackets](#)).

LiveHeats

- Bate Bay Gold will be using LiveHeats, Competitors are to bring their LiveHeats wristbands previously issued to them, or they will be supplied one at the event.
- Further instructions will be provided during the athlete briefings. It is the competitor's responsibility to follow these instructions so that a time will be recorded when completing the event.
- If on the morning of competition, a team needs to change the course legs assigned to individual members they need to advise the admin desk at the time of check in.
- If a competitor exits the course early, they must ensure that their details are recorded with the Carnival Referee or Deputy.

BRIEFINGS

Event day briefings are compulsory for all competitors, handlers and officials. Competitor, handler and official's check-in must be completed before attending the briefing.

- We recommended arriving for competitor check in with a minimum of 30 minutes before your briefing time.

WARM UP

- No warms up should occur prior to 7.30am.
- All craft warm up must be conducted north of the competition area.
- Swim warm up must be done in the swim area.
- All competitors warming up must wear their hi-visibility lycra rash vest.

RACE START

If conditions allow the start will be a dry or traditional ski start. If conditions are not conducive to a dry start there will be a deep water start. The Referee will advise competitors of the start method during the briefing.

COURSE AND SITE INFORMATION

Course Information to come out closer to the date

RESULTS

All results for the event can be found via Surf Life Saving Sydney website

CRAFT DROP OFF AND PARKING

There will be a designated craft drop off zone this will be advised closer to the event

Strictly no parking will be available in the clubhouse carparks as these will be reserved to preapproved persons (any clubs that require trailer should contact Greg Pierce: 0423 884 263).

Competitors are encouraged to park in surrounding streets. Please be respectful of the local residents and only park in designated areas. Parking restrictions will be enforced by Sutherland Shire Council.

SPECTATOR INFORMATION

Spectators will not be permitted access to the competition area; however, spectator viewing will be accessible along the pedestrian walkway and where possible adjacent to the competition area. Please refer the course map for best viewing positions, being mindful to maintain social distancing.

HANDLER INFORMATION

Only pre-entered handlers (one handler max per competitor) will be permitted in the competition area during competition. All competitors and handlers must leave the area with all equipment at the conclusion of their events.

Fluro shirt/rash vests are required for handlers.

COVID SAFETY INFORMATION

If you are sick, stay away from others! Do not attend the event!

- If an event attendee even slightly suspects they may be sick, they should not attend the event.
- If a competitor becomes unwell and is showing flu like symptoms, they are to notify their team manager and immediately leave the event. The team manager should notify SLSS.

Handwashing and Hygiene

- Sanitiser will be readily available at all beach defined entry and exit points and throughout the competition area and hands should be washed frequently. Hand sanitiser stations are indicated on the event site maps.
- All persons entering SLSS administration area are required to hand sanitise every time they enter
- All attendees are encouraged to frequently sanitise, using alcohol-based hand sanitiser or wash their hands with soap and water, especially before and after eating.
- Individuals should ideally only use their own equipment and **not share** with anyone else. Where this is impossible.

Physical Distancing at the Events

- Attendees must be mindful to maintain social distancing
- All persons entering the carnival must keep 1.5m from other persons, excluding field of play
- Attendees are encouraged to queue outside shower/toilet blocks, maintaining 1.5m between people.
