WELCOME TO THE RANDWICK SHIELD 2022

RANDWICK SHIELD – Sunday 13 November 2022

Randwick Shield is a carnival for Nippers in the **U8's to U14's Age Groups** involving the Maroubra, South Maroubra, Coogee & Clovelly Surf Life Saving Clubs. This year after 2 year hiatus due to Covid, it is the turn of Maroubra SLSC to host the event at Maroubra Beach.

PLEASE NOTE THE RANDWICK SHIELD WILL BE RUN AS A SURF SPORT CARNIVAL. COMPETITION WILL COMMENCE AT 8:30AM AND TO FINISH AT 12PM (approximately)

Whilst this event is non-compulsory, the 4 participating clubs highly encourage a broad participation across their respective Nipper communities.

Please note - **PARENTS MUST ATTEND AND SUPERVISE THEIR CHILD.**

The Structure of the Day

The Randwick Shield has 3 parts:

1. **1km BEACH RUN – Starts 7:00am, Marshal 6:30am**
2. **ALL AGE RELAY – Starts 7:30am, Marshal at 7:15am**

 - a) Gender Balance Rules – All Teams must comprise a minimum of 5 female competitors.
 - b) Age Group Rules -
4. **Main Carnival Events – Start 8:30am, Marshal 8:00am.**

Main Carnival Event

There are swim, board, flags & sprint events for competitors to choose from –**this is a competitive, fun carnival**. Often events clash so it can be best to chat to your age group / child so that they can choose what they would like to compete in prior to the day to avoid disappointment. Officials cannot hold up events to accommodate competitors who want to compete across both Water and Sand Arenas.

Parking is always an issue so a good idea is to uber or arrive early for your events.

Each of the clubs will have their tents set up on the beach close to the walkway to Maroubra Club. Please ensure you arrive in good time to meet your Club coordinators so they can mark attendance and give your child a **stamp which they will require to enter the competition arenas**. Competitors should:-

1. Be dressed in full Nippers gear with their hat turned to show surf club colours
2. Have their Age Group written on their left upper arm.
3. Be stamped by their club coordinator to enable them to compete.

Organising and scheduling such a large group of children is a mammoth task. Organisers are at the mercy of the surf conditions and events can be delayed and/or cancelled at the last minute – this is to ensure safety of the children – the whole schedule can be disrupted. In this case, we ask all parents and nippers for their utmost respect and patience for the volunteers and officials. Due to large number of events and potentially variable surf conditions, the schedule can change/delay/cancel at any part of the day.

Conditions can be extremely hot so hats, long sleeve shirts, golf umbrella's, water and constant sunscreen application are a must for both nippers and parents.

Finally, events like this take a considerable amount of organising and we rely on our club volunteers, and you the parents, to help out on the day. Please consider how you may be able to help especially at the end of the day – pack up helpers are always needed and most welcome! This is a great community event with opportunity for us all to meet new people, make new friends, encourage our kids to have fun and keep the smiles on our faces!!
