This circular is calling for expressions of interest (EOIs) from Clubs to submit candidates for the January 2024 course.

As numbers for this course are limited to a maximum of 30 candidates total, places on the course will not be confirmed until after the closing date. If a higher number of people wish to register clubs will be given a quota of allocated places. This award course **requires physical requirements of a fitness level to meet the course outcomes**, which should be considered by Clubs (Club Captains) when determining which candidates they will consider for registration of this course.
