Surf Life Saving Sydney continues to encourage, recognise, and develop young Members in our Branch. These athletes may have started in Nippers for various reasons and now aspire to enter Branch, State and National (Aussies) Championships. Our Branch provides a solid pathway for these athletes to develop their surf lifesaving skills and maintain motivation as they go through nippers to cadets and seniors. The Youth and Junior Development Committee and Surf Sports Committee will continue to conduct clinics for our members wherever possible and are pleased to advise dates for the Pool Rescue Clinics for 2024.

The SLSNSW Pool Rescue Championships are scheduled for 15-16 June 2024, therefore we are offering clinics in the area of **Pool Rescue events** for your members who are intending on competing at this year's State Championships. These clinics are open for members U11's and above.
