Subject	EOI Venue Youth & Development Surf Sports Clinic October 2023

Dear All,

On behalf of the Branch, we are seeking venue availability from clubs for the Surf Life Saving Sydney Branch Youth & Junior Development Surf Sports Clinic scheduled for Sunday 8 October 2023.

The Clinic is for U9 to U19 athletes from our Sydney Clubs. We would envisage 100 members attending (but not confirmed at the moment) who would be participating in beach and water events with assistance of coaches and officials.

We would require the following from the Club :

- Use of Clubhouse or room from 6.00 am to set up for registrations and apparel issue until pack up from 10.00 am
- 2 Tressel Table and 4 chairs
- Access and use of male and female toilets/change rooms
- IRB with Crew and Driver dedicated to the clinic (water ready)
- Staffed BBQ – Branch would provide bbq food for all participants, coaches and assistants
- Use of Club Nipper Emergency Kit so we can have this present on the beach during the clinic
- Use of Club Rescue Tubes and Rescue Boards for Water Safety
- Use of beach – Branch would advise local Council Lifeguards of the activities
- 6am to 10.00am time schedule of activity

EOIs from club/s interested in providing venue for this Clinic, are asked to email David Love director_juniordevelopment@surflifesavingsydney.com.au by Friday 8 September 2023.

Regards

David Love
