

MEMORANDUM

To	Club Presidents, Secretaries, Captains, Interested Parties
From	Director Lifesaving Support Operations Manager Lifesaving
CC	BOM, LSOC, EC
Date	Wednesday 10 July 2024
Pages	1
Subject	EOI Gear Inspection Team 2024

Dear All,

Season preparations are underway for the annual Gear Inspection. Dates have already been shared with Clubs as follows.

Saturday 7 September 2024 Waverley and Randwick Clubs
Saturday 14 September 2024 Bate Bay and RNP Clubs

This memo is to invite interested members and re-invite previous GI team members who may wish to be part of the Branch Gear Inspection Team to visit the clubs and carry out the required equipment checks for season 2024-2025.

Please submit your EOI via this jotform link <https://form.jotform.com/241888141702861>

EOIs close Friday 26 July 2024

Role of Gear Inspection Panel

The team would meet and travel to locations on the day in convoy as a team. Checklists of what is being inspected for the relevant clubs is all via the Operations App. The Gear Inspection team, once appointed, are given Branch Auditor access to this information. No experience is necessary; however, we do hope to have previous GI team members reapply to be a part of the team!

Any queries, please contact the Branch office.
