

MEMORANDUM

To	RWC Operators
From	Support Operations Manager & RWC Coordinator
CC	Club Secretaries, Presidents, Captains, BOM, LSOC, EC
Date	Tuesday 9 April 2024 – Reissued Thursday 29 August 2024
Pages	1
Subject	RWC Proficiency and Professional Development Day 2024-2025

Dear RWC Operators

All operators are required to undergo the annual proficiency for the 2024 - 2025 season. This is necessary to maintain the high operator standard and to minimise the ongoing and sustained damage to craft and equipment resulting in costly repair bills.

The proficiency will now just focus on the RWC components. Operators will need to ensure their Bronze Medallion proficiency (skills maintenance) is completed 31st December 2024. This will be done through the normal club proficiency (skills maintenance) process.

We currently have 3 dates advertised, further dates will be advised in the coming weeks.

RWC Skills Maintenance – 7am start Lugano Ave RWC shed

- Sunday 1st September 2024
- Saturday 21st September 2024
- Sunday 22nd September 2024

Who needs to attend RWC Proficiency?

- All RWC operators are required to attend.
- Training positions can be rostered in Deputy for the dates above. Each day is limited to the number of positions in Deputy
- Failure to complete a proficiency prior to 31st of December, 2024, will result in operators being removed from the Branch RWC group and Deputy access for the 2024-2025 season.

What to bring to Proficiency? Wetsuit, Towel, Sunscreen, Bottle of water, Warm change of clothing etc.

Any queries, please contact rwc@surflifesavingsydney.com.au or branch office.

Regards

Simon Smith
