Subject to surf conditions and intended racing water area, towing vehicle and boat combinations should proceed to the north end of the surf club car park to 'boat drop off' where they will unhitch boats in preparation for towing of each trailer/boat onto the beach.

Your patience here will be appreciated.

Towing vehicles will then be directed to a nearby parking area outside of the drop off site.

Any change to this arrangement will be posted on the South Maroubra Facebook on the morning of the event.

South Maroubra looks forward to hosting Round 2 of the Sydney Branch Boat Series - Saturday 9 November 2024

Note : The club is hosting an U8's carnival on same day which will be south of the boat carnival arena
